

DEPARTMENT OF GEOGRAPHY,
RAMMOHAN COLLEGE, KOLKATA

WELCOME TO THE DEPARTMENT OF GEOGRAPHY

We strictly follow the Rules & Regulation and the UG Courses under CCF, 2022 (University of Calcutta). but here at Rammohan College, there are some specific visions for your future career opportunities and overall development as a responsible citizen....

- ❖ Conducting primary survey on the underprivileged population in the slums,
- ❖ Community work with street children & others to encourage the local women's participation in self-help groups, training and sale of their products,
- ❖ Conducting health check-ups and psychological counselling,
- ❖ Regular parent teachers' meetings to discuss progress of students and identify their challenges and aspirations,
- ❖ Formation of small mentor mentee groups in class to work as learning facilitator,
- ❖ Formative assessment of students through group activities and audio visuals and visuals,
- ❖ Firsthand training with Weather Instruments and Data collection,
- ❖ Workshops on GIS in collaboration with prospective employers and experts to orient students towards future employability,
- ❖ Training for entrance tests for further studies in multidisciplinary courses
