On September 18th, 2020, a webinar titled "Virtual Learning: The Road Ahead" brought together educators, experts, and stakeholders to discuss the evolving landscape of online education. Hosted in a virtual format, the event aimed to explore the challenges, opportunities, and best practices associated with virtual learning in today's rapidly changing world. This write-up recaps the key highlights and takeaways from the insightful webinar.

The webinar "Virtual Learning: The Road Ahead" presented a holistic perspective on the challenges and potential of virtual education in the ever-evolving educational landscape. The event shed light on the need for continuous adaptation, collaboration, and technological integration in order to provide high-quality online learning experiences to students. By taking these insights and recommendations into consideration, educators and stakeholders will be better equipped to navigate the exciting road ahead in virtual education.

The event was inaugurated by our honourable Principal Madam and the resource person of this session was Dr. Parthasarathi Mukhopadhyay, Professor, Dept of Library and Information Science, University of Kalyani.
